EDUCATIONAL VISIT ARRANGED BY COLLEGE

2018-19

1. Educational Visit to Ukai Hydro Power & J. K. Paper Ltd. (15/09/2018)

On 15th September 2018, college organized an educational visit to Ukai Hydro Power & J.K. Paper Ltd. with total 58 Students and faculties. The purpose of this Industrial visit was to provide an excellent opportunity to all the students & faculties, to interact and know more about industrial environment. The intention was to help the students to create a practical perspective in the field of Commerce.

The Ukai Hydro Power Station is located at Ukai Dam on Tapi River in Tapi District. There are 4 units of hydro turbine each of 75MW with a total installed capacity of 300MW. Chief Control Engineer Mr. Satish Gamit explained all the component of control room. After that students visited J. K. Paper Ltd. with great eagerness to find out how a paper mill functions. Mr. Bharat Gamit and other members of J.K. Paper Ltd. escorted students through a walkthrough of the factory. Various persons-in-charge and production and processing heads of the plant actively engaged in informing students about the various processes that were taking place in the processing of paper. Students learned that the factory makes printing and writing papers which includes books, magazines, catalogs, newspapers, digital printing, business forms, and other documents. The education trip was concluded with its purpose of providing practical and theoretical experience to students about hydro power station and paper mill along with some sort of enjoyment and refreshment form regular schedule by visiting some of areas like well-known parsuram temple.
