The College Magazine team works to bring out the annual official Staff and student publication of Amroli College through Shabda Jyot.

Each year, our team of editors works extensively to report on college activities along with the departmental activities and the events in and around college and in generating creative content from the student population. The final publication reflects and encompasses the diversity inherent to the academic and extra-curricular spaces in Amroli College.

With the onset of the working year 2015-16, its primary focus has been geared at covering events and notable issues within the college, as well as writing articles and conducting interviews aimed at navigating the student body's associations and relationships with current events, popular culture, academics, and so on.

The magazine continues to expand its reach to achieve its vision of being a truly representative student publication. We have recently expanded into the digital world through the inception of uploading E-Copy of our Magazine to college website, where we try and engage the college community in contributing something to our environment.

The team hopes to build on this ethos just as much during the upcoming academic years.
