We started taking feed-back forms from the guardians for the first time during this year of 2016-17.

During the meeting with guardians, we provided useful information about I-notice board, website, and college facility. The opinions were taken for the new certificate course started. They were very positive to co-operate and ready to give all the helps for the courses.

Like every year, we held meeting with guardians on the occasion of national festivals i.e. on 15th august and on 26th January.
