We have started certificate courses in the college with the help of guardians. During the meeting with guardians we have expressed our vote of thanks for their valuable help in starting the courses. We explained in detail about Atal-pension scheme during the meeting on 21 April 2018. We have also given facilities in our college to open bank account for this scheme.

We also explained in detail the importance of having Identity card, Adhar card, Driving license, Voter card to the students during the guardians meeting.

Every year we used to invite guardians during the Annual prize distribution function. We used to request them to distribute prizes to the student with their holy hands.

Our college is appointing class advisers from the teaching staff. These class advisers keep the records of irregular students. They create contact with the guardians of these irregular students with the help of guardians they try to make them regular in the class and in their studies.

In this way class advisers try to save the years of their study. They become regular in their studies they can change future also.
