Anti-Ragging Committee Report 2021-22

The Year We have arranged online activities with Covid-19 guidelines by the State Government and University due to Covid 19.

J.Z. Shah Arts and H.P. Desai Commerce College focuses individually on each and every aspect of holistic development of the students and looks that no barriers or obstacles create hurdles for them. Ragging in college is considered to be one of the barriers in holistic development.

We create awareness of it among the students by doing different activities such as poster display, orientation programme, surprise visit, mentor's council, communication with students. We provide information about our website where we have put all necessary details as well as a complaint link with UGC Helpline numbers.

Students communicate with the student members of the committee directly so that they become comfortable and can share freely.

Committee members also communicated with the students informally to know the surrounding situation and to give space to communicate freely.

We ensure that 99% of students registered themselves for an online affidavit form of Anti Ragging.

No Case of Ragging is recorded this year. We are fortunate to have a Ragging free campus.
