Anti-Ragging Report 2023-24

University Grant Commission has created protocols against Ragging in Higher Education Institute and for that created Anti Ragging Cell in 2009. Every year the University sends a circular regarding awareness of Anti -Ragging by different activities that we need to do in each and every college. Following the same J.S Shah Arts and H. P Desai Commerce college initiated an orientation program for first year students so that they can understand the importance of the Anti Ragging Committee. For that posters, circular notices, and a Group Discussion program has been done. We focus more on building the students to students relationship, and try to create a comfortable zone for Freshers in the college. We have taken the help of some senior students to create the atmosphere in the college. No Case of Ragging is recorded this year. We are fortunate to have a Ragging free campus.
