Green Practices

For Green Practices Students & staff using

- (A) Public transport (B) Plastic-free campus (C) Paperless office
(D) Plantation (E) Environmental days Celebration (F) Cleanliness

A) Public Transport:

70% students of the college use public transport to come to college.

B) Plastic-free campus :

Plastic bags are strictly not allowed on campus. To discourage the use of plastic bags Green club students distributed cloth bags to Students and the community of Surrounding area of College. The bag handed out to our stakeholders by college is made from cloth.

C) Paperless office :

All kinds of paper waste is sent for recycling to the vendors. Usage of paper on the campus is minimized and printing is done on two sides. Maximum communication to staff, students and other stakeholders is made through mails and other electronic media to spread awareness about the same.

D) Plantation:

The College Campus is surrounded by 543 trees and plants. Plantation activity done by green club, NSS and NCC students on the regular basis to make the campus environment friendly. Tree Plantation activity done to mark special occasions.

E) Environmental days Celebration

Every year students celebrate Orphanage day, Nature day, Charity day, No Vehicle day, Green day, Karuna day and Gandhigiri & Khadi day, World Bicycle Day , water day, earth day, posters related to nature and various Environment days etc.

F) Cleanliness:

Swachata Abhiyan is done by NSS and NCC students on the regular basis to make the campus clean.

Program arrange on Environment:

- Environmental Studies is kept as an interdisciplinary subject at undergraduate level and the teachers make PowerPoint presentations and slideshows to increase students' awareness on environmental issues.
- Every year inter class and inter college elocution competitions and best out of Waste and Poster making Competition competitions are arranged in college.
- College felicitated students, staff and guests with books instead of giving them flowers.
- Poster and Slogans to save the environment are posted on wall of the college.

Awareness drive and Tree plantations Programmes are arranged by Green Club on Regular basis

Environmental Policy

J. Z. Shah Arts & H .P. Desai Commerce College is committed to providing a quality service in a manner that ensures a safe and healthy workplace for our stakeholders and minimizes our potential impact on the environment . We will strive to use environmental best practices in all we do.

Our policy therefore is to

- Minimize our waste as much as possible and then reuse it.
- Minimize the wastage of water use, and energy within our building & campus.
- Give guidance to stakeholders for Green practices.
- Reduction of use of papers with Digital Notice , etc
- Organization's budget for environment sustainability efforts and green campus initiatives
- Responsibilities has been assigned for different activities in all appropriate functions and level (staff is assigned for greenery of the campus)
- Signing of MoU with NGOs to disseminate Green campus motto and pledge

Regularly organize programs related to environmental awareness.

Contribution to environmental awareness / protection Waste management steps, including:

A) Solid waste management:

The institution takes all measures required to ensure that the campus is free of plastic items and also other wastes that harm the environment. Every class rooms, offices, staff rooms, verandas, and libraries are provided with dustbins for dry wastage which are emptied every evening. Surat municipal corporation is already having 'door to door' waste collection method on regular bases. The dry collected from the dustbins is given in door to door garbage collection. Electric sanitary pad disposal machine is installed in the girls common washroom.

B) Liquid waste management:

- At our campus, we treat waste water through sedimentation. The sewage water from the entire campus is received through the underground pipelines.
- Waste water generated by Ro purifiers plant is reuse to flush the toilets and to clean parking

C) E-waste management:

- Storage facilities of E-Waste materials
- All Electronic waste CPU's, Hard disks are sent to the E-waste Government Authorized Vendor.
- The cartridges of printers are refilled outside the college campus
- Computers with old versions have been given to schools for the purpose of education free of cost.

Rain water harvesting structures and utilization in the campus:

The college has taken initiatives in rain water harvesting which helps in ground water recharge ,salinity control and maintenance of soil humidity. Such installations have been made in the parking area. This has helped to maintain the ground water table in the campus. The college aims to make the students aware about the importance of preserving and saving rain water. So the college makes the Students take Oath "TO SAVE WATER & ELECTRICITY". Students are encouraged to use water wisely and only when necessary.

Energy saving:

- Solar Energy plant has been installed on the college roof to harness and use solar energy.
- Lighting power requirement is met through LED bulbs and tubes.
- For power saving College uses Energy star appliances as replacement or upgrades when needed.
- Centrally controlled switch installed in every class.
